

# The City of King Partners with Waste Management for Residential Collection of Solid Waste Beginning July 5th 2016!

Dear Resident,

Beginning Tuesday July 5, 2016, Waste Management will begin collecting your garbage weekly for the City of King. Before your service starts, each residence will receive one new green 96-gallon rollout cart for garbage to replace your current cart.

Since your first week of service falls on a Holiday week, everyone's service day will run a day behind. If your normal service day is Monday you will be serviced on Tuesday, Tuesday customers will be serviced on Wednesday and Wednesday customers will be serviced on Thursday. Friday customers will remain on Friday for the first week of service.

After the Holiday week service days will return to normal with the exception of those residents whose normal service day is Friday. Friday's new service day will be Thursday.

Waste Management observes the following Holidays: July 4<sup>th</sup>, Labor Day, Thanksgiving Day, Christmas Day, New Years Day and Memorial Day. Collections on those days will always be delayed by one day for the remainder of the week.

- ◆ Only Waste Management Carts will be collected after 30 June 2016.
- ◆ Collection begins promptly at 7:00 am so please have your cart at the curb the night before.
- ◆ There is important information concerning your change in service on the back of this brochure but should you have any questions, please contact Gina Calloway at the King Public Works Department or Waste Management at (336) 723-5744/email [winstonop@wm.com](mailto:winstonop@wm.com)

Waste Industries will no longer provide weekly curbside Recycling service after 30 June 2016. If residents are interested in Every Other Week curbside recycling service, please contact us at the number below. Waste Management will provide you a 96 gallon roll out cart to service your recyclables Every Other Week for a rate of \$10.25 per cart per month. For more information about how to Recycle properly, check out our Recycle Right Recycle Often website. <http://recycleoftenrecycleright.com/>

## RECYCLE OFTEN RECYCLE RIGHT!

Customer Service Phone: 336-723-5744

Waste Management is pleased to have the opportunity to serve the residents of the City of King. Below are some quick guidelines for your new rollout trash cart. This will help us to provide you with the best service and make this transition as smooth as possible.

- ◇ Place your cart a minimum of 3 feet away from mailboxes, light post, vehicles, etc. to ensure safe and efficient collection

- ◇ The front of the cart must face the street (the handle is located on the back side)
- ◇ All trash must be placed inside the cart and the lid must be completely closed.
- ◇ Materials left on top or beside the cart will not be collected.

To keep King residents safe and be compliant with landfill regulations, the following items cannot be included in your trash cart:

1. Yard Waste
2. Construction debris
3. Automotive Parts
4. Electronic Waste
5. Medical Waste
6. Hazardous Waste

For further information or questions please call (336) 723-5744 or email [winstonop@wm.com](mailto:winstonop@wm.com)
