Guidelines for Leaf Pickup

**Starts in NOVEMBER,
Ends in JANUARY.
Leaves are picked up using
a vacuum truck. To help us
pick up your leaves, please
follow the guidelines
below:**

- ___ Leaves should be in organized pile parallel to the road edge.
- ___ Must be at pavement edge but **not in roadway**, blocking sidewalks or drainage areas.
- ___ Leaves in street cannot be picked up with truck due to endangering other drivers.
- ___ No grass clipping, garbage or other yard waste such as vegetable garden or flowers.
- ___ No bags or bagged items.
- ___ DO NOT MIX Leaf and Brush due to specialized equipment can be damaged.
- ___ Leaves should not be next to trees, poles, mailboxes, vehicles, etc. due to equipment limitations.

KEEP LEAVES OFF THE STREET AND ROADWAYS.
