I understand that this is a request to evaluate whether or not service is available to the property named above. I Further understand that in the event that the City of King cannot provide service I will be notified promptly. Approved service requests require the completion of an application for water/sewer service account and payment of all connection fees prior to the scheduling of work. Any property within 300 feet of city water main must request city water services. Any property within 150 feet of city sewer gravity main must request city sewer services as well as voluntary annexation from City of King City Council. City of King Council will approve or deny annexation requestion at the following City Council meeting following the date on the application. All plumbing materails must meet City of King Development Standards for Water and Sewer installation. ***Once all fees are paid and application for services is complete, installation will be completed in 4-8 weeks. Quotes are valid for 6 months from date the appliaction is signed and submitted.***
