NEW BUSINESS

The committee discussed rules for the future Recreation Acres dog park, based on mock sign board supplied by Parks and Recreation Director, Olivia Smith. Some edits were suggested to the wording of the rules, as well as the possibility of a smaller sign with the most important rules bullet-pointed for emphasis.

The committee discussed the disc golf proposal supplied by Innova Designs. It was determined that since it was too late in the budget cycle for this year, different options could be explored, including enlisting the help of local Eagle Scout projects and local disc golf associations to help design the course and keep costs down. The board asked that the Parks and Recreation Director look into those options for the next meeting.

ADMINISTRATIVE REPORTS:

Parks and Recreation Director Olivia Smith updated the committee on the development of park programs and events, including the effects of the COVID-19 outbreak on general operations.
