

## DO NOT....

- Put leaves in the ROAD or STREET (Leaves will NOT be picked up if this is done)
- Mix leaves and brush due to specialized equipment
- Put leaves in bags
- No grass clippings, garbage or other yard waste such as vegetable garden or flowers.

### More Information:

The City leaf truck makes a full round of the city every 5-8 days. Pick-up starts on one side of the city and continues until a full round has been completed and will start again repeating the process. Brush is NOT picked up with this truck.

For any questions about leaf pick-up please call The City of King Public Works Department  
(336) 983-4832

## Guidelines for Leaf Pick Up

- Leaves should be in an organized pile parallel to the road **EDGE**.
- **MUST** be at the pavement edge but **NOT IN THE ROADWAY**, **NOT** blocking sidewalks or drainage areas.
- Leaves should not be next to trees, poles, mailboxes, vehicles, ect. Due to equipment limitations.

**PLEASE DO NOT** put leaves in the road or street for safety.

The truck can't block all lanes for leaf pick-ups, it is a **DANGER TO ALL** drivers as well as City equipment and employees.

The City of King, NC

## Leaf Pick-Up

Starts November 1<sup>st</sup> -January 31<sup>st</sup>
